Screen Up Freestanding

DIY FRIENDLY

SCREEN UP®
Slat Screening System

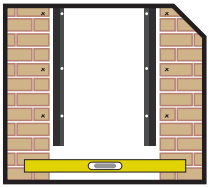
Installation Guide

Complete installation instructions included with each product and at **www.screenup.com.au**

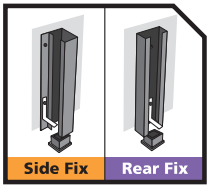
SLAT CALCULATOR | SCREEN UP HEIGHT			
SLAT WIDTH	44cm	1.1m	2.0m
70mm	5	12	22
90mm	4	10	18

WALL MOUNT
INSTALLATION GUIDE

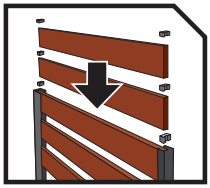
Choose from Rear Fix or Side Fix to easily create privacy screens between walls and posts. Also use for decorative screens across the face of walls.



Measure & mark up



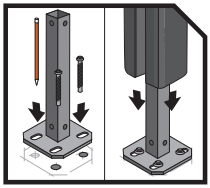
Install Screen Up channels



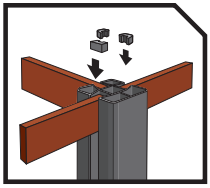
Insert slats & spacers

FREESTANDING
INSTALLATION GUIDE

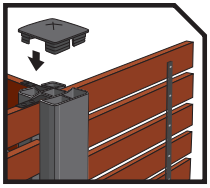
Build complete privacy screens that span longer distances without wall or post support. Anchors securely to the ground for a complete freestanding solution.



Measure & position posts



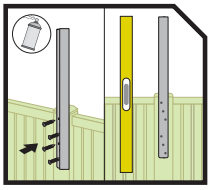
Insert slats & spacers



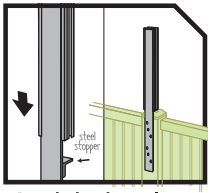
Lock in & brace slats

FENCE EXTENDER
INSTALLATION GUIDE

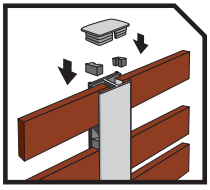
Add a privacy screen to your existing steel, masonry or timber fence. The two-piece channel mounting system easily extends the height of your fence or wall.



Fix the mounting plate



Attach the channel post



Lock in & brace slats
