### SLIMLINE OR STANDARD - THE CHOICE IS YOURS

Whites Screen Up spacers are available in two styles to give you the look you want:

- Slimline Spacers provide a 10mm space between slats for that slimline look and greater privacy.
- Standard 20mm spacers are ideal for larger screens and are supplied with all Wall Mount channels (note that sufficient 20mm spacers are supplied with each post, however, there may be rare instances where installation requires additional spacers).

These are suitable for Wall Mount channels (rear and side fix).
