

Traditional Steel Tent Pegs

Tent Pegs / Drive-in Tent Pegs

- Secure tarps, tents and ropes to the ground
- Strong and versatile
- Available in 4 sizes

FOR SECURING GROUNDSHEETS AND GUYLINES

Whites Tent Pegs secure guylines, groundsheet, tarps etc. These are available in 4 different sizes to suit various applications:

- Strong, lightweight and versatile (4mm) - This tent peg is lightweight for easy carrying and is ideal for camping and recreation purposes. Also, it is galvanised for long life.
- High strength - suitable for harder ground (7mm & 8mm) - These tent pegs have durable round bars, also ideal for camping and recreation purposes.
- Superior strength - heavy duty (12mm) - This tent peg is zinc plated, ideal for permanent fixing applications.
