

Grip & Grow® Spiral Stake

Vegie Growing / Grip and Grow®

- Ribbed bar allows plants to grip and grow
- Provides sturdy support for climbing plants
- Galvanised steel - long lasting
- Simple and easy to use
- Re-usable year after year

INTEGRATED SYSTEM FOR GROWING PLANTS AND VEGIES

Grips as it grows

Whites Grip & Grow Spiral Stake features a cleverly designed and sturdy growing path for climbing plants.

The spiral design saves space and provides a tough support. The ribbed bar provides additional grip to promote plant growth and hold vines as they grow.

Simply stake into the ground and you're ready to grow.

Made from durable galvanised steel for a longer life, Grip & Grow is robust and durable enough to re-use year after year.

Handy Hint:

- The base of the spiral has a flat section, which allows you to use your foot and body weight to more easily push the spiral into the ground.

PRODUCT SPECIFICATIONS

Code	Product Name	Height (mm)	Finish
18270	Grip & Grow Spiral Stake	1800	Hot-dip Galvanised
