

Diamond Climbing Trellis Large

Decorative Training / Large Decorative Trainers

- Unique wall or garden feature
- Decorative slimline support
- For climbing flowers and vegetables
- Also available in 1m height

GREAT FOR TRELLISING OR VERTICAL GARDENING

Whites Diamond Climbing Trellis is an ideal trellis for climbing plants and colourful flowers. The unique design features a diamond pattern to create a beautiful wall or garden feature with or without plants. It provides decorative slimline support for climbing flowers and vegetables. Simply push legs into the ground to set up. Powder-coated for durability. Also available in 100cm.
