

## Survey Stakes

Concreting / Concreting Accessories

- Galvanised steel
- Use as marker post
- Notched for tying tapes
- Strong & durable
- Available at Bunnings stores only

Whites Survey Stakes feature a white top for use as a marker post, and a notch for tying tapes. The stakes have a “W” profile shape and made from contractor grade galvanised steel for strength and durability.

Each stake is 45cm high and they are available in packs of 6.
