

Heavy Sisal Twine

Plant Tying / Natural Plant Ties

- Robust & weatherproof
- Strong & long-lasting
- Natural fibres & environmentally friendly
- Biodegradable & recyclable
- Ideal for outdoor tying jobs

FOR LONG-TERM USE

Whites Heavy Sisal Twine is a robust and weatherproof twine, ideal for long-term tying jobs outdoors. Strong and long lasting, can be used for hanging baskets or potted plants. Made from natural fibres that are biodegradable, recyclable and environmentally friendly.

Did you know?

Sisal is manufactured from fibres obtained from the leaves of Agave Sisalana plant. It has been the leading material for agriculture because of its strength, durability, ability to stretch, affinity for certain dyestuffs and resistance to deterioration in saltwater.
