

Guard Mesh

Mesh & Netting / Dog & Boundary Fencing

- Graduated mesh made from galvanised soft wire
- Unique horizontal spacings
- Vertical picket wires are at 100mm spacings

GRADUATED MESH, 120CM HIGH

Whites Guard Mesh is multi-purpose galvanised mesh with a unique design that keep out small animals and deter larger animals with its height.

Primarily designed as a tree guard, it has many useful applications on farms and in gardens with its unique graduated pattern. Vertical pickets are at 100mm spacings.

Handy Hint:

- To view our entire range of mesh and netting click on the 'shadow board' image in the photo gallery at the top of this page
