

WirePak Tie Wire

Wire / WirePak & HandyPak

- 'No tangle' dispenser
- Colour coded labels
- Superlight and convenient
- Most popular tie wire finish
- Soft, easy to use
- Galvanised to resist corrosion or PVC coated

WIREPAK TIE WIRE

Whites WirePak tie wire is wound into a 'no tangle' dispenser pack for ease of use. At 0.3kg the galvanised packs are super light and convenient for home use. Available in five popular tie wire sizes.

PVC coated tie wire is ideal for garden use.
