

PVC Coated Tie Wire

Wire / PVC Coated Wire

- Galvanised wire core, PVC coating
- Soft and easy to use
- Choice of black and green

COATED AND COLOURED TIE WIRE

Whites PVC Coated Tie Wire is a strong robust wire tie with a galvanised wire core and plastic coating making it gentle enough to use on plants.

It's ideal for plant and general purpose tying.

Available in Black or Green PVC coating in 1.57mm diameter and in Green PVC coating for 1.6mm diameter.
