

## Landscape Barrier

Gardening Accessories / PVC Netting & Barrier Mesh

- Strong and durable
- Decorative green
- Easily staked for instant boundaries

### PROTECTIVE AND DECORATIVE

Whites Landscape Barrier is ideal for protecting new plants, lawns and cordoning off for social and sporting events. Strong and durable UV stabilised material is easily installed using regular stakes, White Ultraposts or Garden Posts. Available in decorative green to co-ordinate with outdoor surrounds.

Handy Hints:

- To install:
  - Tie to Whites Ultraposts, Garden Stakes or Landscapers Stakes
  - Attach to the unique lug system found on Whites Site Post or Garden Posts
