

Decorative Garden Obelisks

Decorative Training / Decorative Obelisks

- Contemporary enhancement to your garden
- Provides durable support
- Quick and easy to set up
- Use against walls or back to back

A STYLISH ADDITION TO ANY GARDEN

Whites Garden Obelisks provide contemporary design to enhance your garden. They are ideal for climbing plants, vines and flowers. Use them against walls and fences for a dramatic garden centre-piece.

Offer durable support for long-stemmed and climbing plants and quick and easy to set up, the spiked feet fix securely into the soil.

Available in a variety of styles.
