

Mini Garden Trellis

Decorative Training / Petite Decorative Trainers

- Sturdy support for plants
- Hinged plant trainer
- Ideal for pots and small gardens
- Powder-coated finish

STURDY PLANT SUPPORT OR TRAINER

Whites Mini Garden Trellis provides a sturdy, adjustable support for climbing plants.

Made from 4mm steel wire for strength, it features hinged panels for adjustability to fit most pot and plants sizes and small gardens.

Finish in durable green powder-coat with a modern geometric pattern.

Available in two sizes: 400mm/600mm and 500mm/800mm.
