- Fixings supplied

EASILY MOUNT WIRE TRELLIS AND TRAINERS

Whites **Trellis Fixing Kit** is an easy to use, handy way to create beautiful trellised structures.

Whites **Plastic Trellis Mounts** hold steel wire trellis and trainers off the wall or on fences to allow climbing plants to grow, creating a decorative feature.

Simple and easy to use.

Pack contains 4 sets of plastic mounts, screws and wall plugs.*

Easy installation:

- screw mounts into wall
- press the wire trellis into the clip for a secure hold

*Available at Bunnings New Zealand only. Please check with your local NZ store.

Simple and easy to use, Whites **Steel Trellis Mounts** hold timber and plastic trellis or lattice off the wall to allow climbing plants to grow, creating a decorative feature.

Pack contains 4 sets of steel brackets, screws and wall plugs.

Easy installation:

- screw mounts onto the wall
- position trellis on mounts
- screw-fix trellis to front of mount for a secure hold
