

## Fencing Pliers & Tools

Fencing Tools & Accessories / Fencing Tools

- Strong, durable, and reliable
- Made for fencing
- Available in 2 styles

### HANDY SIZE, EASY TO USE

Whites Fencer's Tool is a convenient and easy to use tool for tying off wires up to 4mm in diameter. Simply thread the wire through the relevant gauge hole, twist and you have an instant tie for most fencing applications.

It fixes plain or barbed wire to steel fence posts. Easy to use, convenient size fits in your pocket. Each pack includes application tool.

**BULLNOSE AND PARROT BEAK STYLES.** Whites multi-use fencing pliers are strong, durable, and reliable to make fencing easy. Available in two styles:

#### Bullnose

- 2 different wire grips
- 3 wire cutters plenty of length to provide leverage
- Long handles provide extra leverage

#### Parrot Beak

- Cut, snip and crimp
- Hammer and pull staples
