

## Panel Clips

Fencing Tools & Accessories / Fencing Clips & Tools

- Quick & easy screw-fix installation
- Panel Clips attach to mesh panels
- Handy pack of 8 or bulk pack of 50
- Galvanised steel
- Mounting clips ideal for hanging trellis panels or wire
- Hot-Dip Galvanised steel
- Front or side mount design

### FOR EASY SCREW-FIX INSTALLATION

Whites easy to use mesh Panel Fixing Clips are made from strong galvanised sheet steel, to hold up to 10mm mesh easily. They have a 8mm hole for screw fixing.

These clips come in a handy pack of 8 and a bulk pack of 50.

### QUICK AND EASY SCREW-FIX INSTALLATION

Whites Panel Mounting Clips screw into walls and fences quickly and easily, creating a sturdy trellis for your climbing plants. Made from Hot-Dip Galvanised steel, it is strong and long lasting.

Choose from two hanging options: front mount or side mount, whichever best suits your needs or space.

Note: Screws not included.

Handy Hints:

- Use with [Whites Grip & Grow Wall Panel \(18248\)](#) for a trellis system installed in minutes.
- For wire trellis, run trellis wires through the free screw holes and tie off.
- Protective gloves and eye protection must be worn.
