

Post Drivers

Fencing Tools & Accessories / Fencing Tools

- Heavy steel construction
- Weighted and reinforced steel head
- Welded handles
- Minimises damage to tops of fence posts
- Enamelled steel version available at selected Bunnings stores only - Please check with your local store.

FOR MANUAL POST PLACEMENT

Whites Post Driver range provides an easy way to drive steel posts into the ground. The heavy weight of the driver means the user only needs to lift the driver over the post and let the weight of the driver do the work. Available in three sizes from heavy duty 80cm to the Lil' Driver to suit trade, handyman and DIY uses.

[For more rural fencing product see our selection on the Whites Rural website](#)
