INTERLOCKING DECORATIVE WIRE PANELS

Whites Interlocking Edging Panel is a decorative, modular panel ideal for flower beds along paths, driveways and in backyards. The wire loop design is a classic favourite.

Easy to install:

- simply push the steel legs firmly into the ground - no digging required
- the modular built-in hook system means you can add extra panels in straight runs or at an angle

Also available: Diamond Edging Panel* which doubles as a trellis.

*Available at Bunnings only.
