

Wavelock Panel Edging

Garden Edging / Edging Panels

- Made from recycled plastic
- Fits different garden angles and curves
- Simply tap into place
- 3m of edging in every pack

3M PACK - WAVE DESIGN

Whites Wavelock Panel Edging is a decorative, modular panel ideal for flower beds along paths, driveways and in backyards.

The wave design adds a decorative touch to a very cost-effective garden border solution.

Easy to install:

- simply tap or push firmly into place
- the modular system can be installed in straight runs, curves or angles
