Decorative Hanging Baskets

Whites Garden Up Granada Hanging Baskets will bring your outdoors to life! Perfect for personalising your backyard or garden with your choice of attractive floral displays and ideal for where space is at a premium.

Supplied complete with hanging chain, hook and coir fibre liner, these hanging baskets are made from sturdy powder coated steel for long life.

This design is available in Black 30cm and 35cm, and in White 35cm diameters.

Handy Hints:

- Use a premium quality potting mix (Australian Standards logo with four ticks) and water regularly.
- Depending on your plants, it's best to maximise the amount of natural light by positioning the plants in a sunny, north facing position.
- Always ask your gardening expert for the best plant varieties to suit your region and time of year.
