PLANT WHAT YOU WANT, WHERE YOU LIKE!

Decorative Hanging Baskets

Whites Garden Up Valencia Hanging Baskets will bring your outdoors to life! Perfect for personalising your backyard or garden with your choice of attractive floral displays and ideal for where space is at a premium.

Supplied complete with hanging chain, hook and coir fibre liner, these hanging baskets are made from sturdy black powder coated steel for long life.

The traditional hayrack design is available in 2 sizes: 35cm and 40cm diameters.

Decorative Wall & Trough Baskets

Whites Garden Up Valencia Wall and Trough Baskets will bring your outdoors to life! Perfect for personalising your backyard wall or fence with your choice of attractive floral displays and ideal for where space is at a premium.

Screw holes are located in the back for easy mounting (please purchase screws to suit your mounting surface), these baskets are made from sturdy black powder coated steel for long life.

The traditional hayrack design is available in two sizes: 40cm and 60cm length.

Handy Hints:

- Use a premium quality potting mix (Australian Standards logo with four ticks) and water regularly.
- Depending on your plants, it's best to maximise the amount of natural light by positioning the plants in a sunny, north facing position.
- Always ask your gardening expert for the best plant varieties to suit your region and time of year.
