CLEAR FINISH

Whites Clear Plastic Pot Trolley is a convenient way to display and move your indoor potted plants. Complete with 2 locking wheels, you can reposition your pots and protect surfaces at the same time. Clear finish makes your pot the hero.

The clear plastic material accentuates your pot's design and colour, while four in-built water-wells capture any excess water before it hits your floor.

Handy Hint:

- When placing pots, ensure that the load is evenly spread over the wheels.
