

Garden Up® Extendable Trolleys

Pot Trolleys & Stands / Garden Up® Pot Trolleys

- Reduces heavy lifting
- Extendable legs, 27cm to 37cm & 33-51cm
- Locking wheel
- Securely fits most pots

EXTENDABLE POT MOVER

Three-wheel

Whites Three-wheel Extendable Pot Mover features plastic castor design with powder coated finish. It allows you to easily and safely reposition pot plants in your backyard or balcony without heavy lifting.

Medium duty 75kg capacity and extendable legs accommodate large and small pots and locking wheel secures it in place.

Handy Hints:

- When placing your pot, ensure that the load is evenly spread over the wheels
- When using the maximum length of the adjustable legs, ensure that all legs are extended evenly so the weight of the pot is above all wheels.

Four-wheel

Whites Four-wheel Extendable Pot Mover features plastic castor design with powder coated finish. It allows you to easily and safely reposition pot plants in your backyard or balcony without heavy lifting.

Heavy duty 100kg capacity and extendable legs accommodate large and small pots.

Handy Hints:

- When placing your pot, ensure that the load is evenly spread over the wheels
- When using the maximum length of the adjustable legs, ensure that all legs are extended evenly so the weight of the pot is above all wheels.
