

Retain-iT® Fence Bracket

Retain-iT / Retain-iT® Post System

- Sturdy fence post support
- High tensile, galvanised for long life
- Heavy duty, robust steel construction

HEAVY DUTY FENCE POST SUPPORT

Easy to use solution for creating a fence over an existing Retain iT retaining wall

Whites Retain-iT Fence Bracket provides a sturdy fence post support and allows you to add a fence to your retaining wall.

Simply slot-in into any of the three Retain-iT system: corner post, joiner post or end post and bolt-on to secure the bracket (as shown in the picture gallery).

As functional as it is beautiful, the system has the strength and long-life of high tensile, galvanised steel.

Handy Hints:

- Check with your local council for regulations regarding retaining walls and fences.
