

Edge Protection

Surface Protection / Protective Foam

- Ideal for curved & straight edges
- Can be cut to required size
- Easy to install
- Adhere to clean surface
- Available in Bunnings New South Wales, Queensland and Victoria only. Please check with your local NSW, QLD or VIC store.

IDEAL FOR CURVED AND STRAIGHT EDGES

Whites Edge Protection Ribbed features a ribbed design and self-adhesive backing that adheres to any clean surface, such as concrete, timber and steel.

It's ideal for curved and straight edges- use on garage walls and pillars as a bumper to protect car doors from dents and scratches.

Can be cut to required size.

Available in regular foam, heavy duty foam and ribbed foam varieties. Two colours: Yellow and Black to suit various purposes.
