Veggie Growing / Grip and Grow®

- Reusable, flexible & soft plant ties
- No knots or tying required
- Strong and flexible galvanised wire
- Stranded wire allows plants to grip and grow

IDEAL FOR GROWING PLANTS AND VEGIES

Whites **Grip & Grow Plant Tie** is a quick and easy to use plant support that secures plants, vines and branches. Featuring soft and flexible hook and loop surfaces, that allow you to gently support your plants. Simply wrap around the plant and supporting stake, then overlap the tie to secure in place. Ideal for home, craft and garden use. Available in Green to easily blend into your garden.

Whites **Grip & Grow Trellis Kit** is a complete kit for wall mounting a stylish trellis. With creativity you can create your own design or simply follow the three-diamond shape on the pack. It includes 5m of galvanised wire, stranded for extra strength and extra grip, 10 electro-galvanised screw-in eyelets and 2 electro-galvanised anchor grips. Enough to create a 3-diamond design measuring approximately 1.7m x 565mm or many other configurations. Mount on walls or fences. Easy to install, simply thread the wire through eyelets and terminate with anchor grips as shown in the photo gallery above. Ideal for climbing vines and flowers.
