BRING YOUR OUTDOORS TO LIFE!

Turn any wall, fence or vertical space into a living, growing Green wall or edible garden.

Personalise your backyard or balcony with your choice of decorative floral displays or edible crops such as herbs, salad leaves and strawberries. Garden Up Freestanding (Vertical Garden Kit) softens hard features and improves air quality.

Featuring a robust, coated steel frame, Whites Garden Up Freestanding allows you to create a portable garden anywhere, anytime. Ideal for patios, decks and verandahs.

Pots feature water-smart design with integrated saucer to prevent over-watering and conserve excess water. Perfect for growing vegetables as they are BPA free.

Complete with 5 pots, which are made from Charcoal PP plastic; 10 hooks, which are made from 5mm Black PVC powder coated soft tensile wire and the frame, which is made from Galvanised steel tube, Black powder coated, Garden Up Freestanding is quick and easy to set up.

Handy Hints:

- Use a premium quality potting mix and water regularly.
- Depending on your plants, it's best to maximise the amount of natural light by positioning the plants in a sunny, north facing position.
- Always ask your gardening expert for the best plant varieties to suit your region and time of year.
