## **Product Data Sheet**

## **Ridged Wall Trainer**

Decorative Training / Small Decorative Trainers

- Uniquely shaped to cover downpipes
- Designed for climbing plants
- Easy installation

## **GARDEN FEATURE AND PLANT TRAINER**

Whites Ridged Wall Trainer is designed as a trellis for climbing plants. The centre ridge provides extra stability for use as a standalone trellis or fixed to a wall.

Easy to install. Powder-coated for durability. Available in black.
