

Natural Raffia

Plant Tying / Natural Rope Ties

- Natural organic look
- Ideal for tying & securing plants
- Natural fibres & environmentally friendly
- Biodegradable & recyclable
- Great for craft projects

PERFECT FOR A RANGE OF CRAFT PROJECTS

Whites Natural Raffia is a strong tie with an organic, rustic look. Very popular for pots and gift boxes, for decorations of wreaths and other craft work. Made from natural fibres, is biodegradable, recyclable and thus environmentally friendly.

Did you know?

Raffia is made from the segments of the leaves on the Palmyra palm. The leaves on the raffia palm are typically 10 metres long or more and the segments are dried and shredded "leafy bits" becoming the raffia fibre we use.
