GATE HINGE - HEAVY DUTY FOR LARGER GATES

Whites Post Hinge Set is perfect for larger gates that are used for farm and vehicular access. It is suitable for timber posts (approximately 120mm-200mm width) and 25NB gates.

The set includes the following:

- top through-post hinge 16mm x 280mm thread length
 - nuts x 3
 - washers x 2
 - backing plate x 1
- bottom through-post gudgeon 16mm x 250mm thread length
 - nuts x 2
 - washers x 2

For detailed instructions, please view the image gallery above.

TOP STRAP AND BOTTOM HINGE - FOR HANGING GATES

Whites Strap & Hinge Sets provide a convenient way to hang gates. These are suitable for round or flat posts and 25NB gates. For installation, ensure that you use screws that are suitable for the type of post, Strap & Hinge can also be welded on to steel posts.

The set contains:

- bottom hinge

- back strap attachment
- top strap

For detailed instructions, please view the image gallery above.

Handy hint:

- Use with Whites Ring Latch Set or Gate Bow Latch Gate Fittings.
