CONTEMPORARY GARDEN FEATURE AND PLANT TRAINER

Whites Designer Steel Plant Trainer is as beautiful as it is functional.

The natural weathered finish adds rustic charm to any garden whilst supporting climbing plants as a trainer. Also suitable as a decorative feature without plants.

Available in two designs: Diamond or Square.

Quick and easy to set up:

- mount on the wall using the in-built hanging lugs, or
- push the two, detachable, spiked legs (included) firmly into the ground

Handy Hints:

- Beware of sharp edges
- Tap spiked legs in for a secure fit
