

Super Gutter Guard

Gutter Protection / Gutter Mesh Rolls

- Small aperture stops fine leaves and debris
- Allows good water flow
- Fits standard gutters
- UV stabilised for extra life
- Easy DIY installation

HEAVY DUTY GUTTER MESH

Whites Super Gutter Guard is a heavy duty gutter mesh made from recycled plastic and UV stabilised for long life. It is easy to install and designed to fit most gutters.

Handy Hints

- In locations with a high risk of bushfire we recommend the installation of Whites Fire Guard Gutter Guard or Whites Ember Mesh Stainless Steel Guard
