SECURE PLANTS & SHRUBS

Whites Jute Twine is a strong plant tie for general tying purposes.

Easy to use and handle, it is made from natural fibres that are biodegradable, recyclable and environmentally friendly. Ideal for securing small plants and shrubs in your garden with a minimum of fuss, and perfect for craft projects. Available in Natural and Green.

Also available in a reusable steel hanger, making it easier to unroll with less tangling. Available at Bunnings New Zealand only.
