TWIST PLANT TIES

Whites Twist Plant Ties feature a PVC-coated wire in Green colour, which blends naturally with garden hues. Use this tie by wrapping it around plants and twisting the ends to lock the plants in place.

Available in 30m and 100m roll with in-built cutter, simply place the wire underneath the cutter and press to cut to the desired length.

Also available in 200mm cut lengths in packs of 200.
